. J.	Comment. A tank detail of the 24th Gds Heer Regt of the 7th Gds	25X1
L	Mecz Div which went to Templin for practices on 6 March probably returned on 9 March.  The unit which was entrained on 12 March is quite definitely believed to have also belonged to the	+-
	above-mentioned regiment. The train probably went to Lieberose where	
	numerous shipments of the division had been dispatched from Frankfurt/Oder at that time.	25X1
4.	Comment. The columns may have belonged to the 10th Gds Tank Div which, at that time, conducted winter exercises in the Templin training	25X1
<i>j:</i>	grounds On the other hand, it is also possible that units of the 25th Tank Div left for exercises.	1
